Nottinghamshire Guided Walks Programme

2026

***A compilation of guided and wellbeing walks
for those who want to improve their fitness, enjoy our countryside
and make friends.***

*Although most are free, a few walks by wildlife or preservation
societies may cost a small fee. Details are given where this applies.*

***Please read information on both inside covers before taking part
and be prepared to enjoy yourself!***

!

Our front cover celebrates the long-awaited opening of the Waterside Bridge, Nottingham's first new river crossing in more than 65 years. Whilst the Bennerley Viaduct has been around for nearly 150 years it's future was very much in doubt until the Friends of the Bennerley Viaduct restored and re-opened it in 2022. This year will see the completion of the eastern ramp access, and a visitor centre & café.

Routes and distances Distances and routes are approximate. Leaders may vary the published route according to weather and other conditions.

Wheelchair users Although most foot-paths are not suitable for wheel chair users, town walks are usually accessible. Check with the leader.

Dogs Dogs are permitted on most guided walks, but should always be kept on a lead. Some Well Being Walks may not allow them. Check first.

What to Bring A suggested list: comfortable waterproof boots or stout shoes, packed lunch/tea with flask and water, light mat to sit on, torch, map, first-aid kit, waterproof clothing, small rucksack. In winter, extra layers, hat and gloves. In summer, wide hat, sun cream and glasses.

Children Those under sixteen are welcome but must be accompanied by parent, close relative or someone legally authorised to give permission for medical treatment if necessary.

Walkers for Health & Special Needs/ Disabled We cannot provide carers, but carers are very welcome to walk with Well Being Walks. If in doubt, check with the leader. For further information see Rambler Well Being Walks at the back of this booklet.

THE PARTNERSHIP

The Nottinghamshire Guided Walks Partnership is presently made up of:

Paddy Tipping

Former MP & Notts Police Commissioner. President Ramblers Notts Area. Financial Adviser to Notts Guided Walks Partnership.

Chris Thompson

Ramblers Notts Area
Tourism & Heritage Path Officer,
Chair - Robin Hood Way Association.
Nottingham City Council &
Nottinghamshire County Council Local
Access Forum Member
Lead member Notts Guided Walks
Partnership.

Neil Stafford

Ramblers Notts Area Treasurer
Programme Editor

We are always looking for volunteers to join the partnership to lead walks & provide support. If you feel you can help in anyway please get in touch.

This booklet is a free publication relying only on grants and some advertising. Any small contributions from walkers would be most gratefully received.

A WARM WELCOME FROM PADDY TIPPING PRESIDENT NOTTINGHAMSHIRE RAMBLERS

Welcome to the 2026 Nottinghamshire Guided Walk Programme.

It contains a rich variety of walks right across the County. Some of them are old favourites of mine, but a lot of them are new to me. I intend to use the opportunity to find them, and I hope to meet many of you too. We have had a spell of exceptionally fine weather but rain or shine there is much to enjoy locally. I think we do not boast enough about the beauty of Nottinghamshire enough!

Thanks to everyone who has been involved in the project and, Chris Thompson who has contributed most of the work.

I know Chris is looking for more volunteers and walk leaders.
Have a great summer.

Paddy Tipping
President, Nottinghamshire Ramblers Association

Please read this carefully

Before leaving home, be sure you are fit enough and equipped sufficiently to undertake your walk. If you're unsure of your fitness level, try a short easy walk first-it's much better to find a walk a little too slow than to make yourself miserable and exhausted. Most of our walks are off-road in rural areas. Please have suitable footwear and clothing for both walk and weather (you can check our website for the day's weather). Bring some food and drink even if the walk includes a pub or café break. Leaders may possibly refuse to accept participants who are not adequately fit or equipped. If in doubt phone the leader first. For your own and others' safety, please abide by the advice herein and the instructions of the walk leader.

Although walking is one of the safest outdoor activities, none is completely without risk. It is your responsibility to behave sensibly and minimise the potential for accidents. **Always check with the walk organiser in the unlikely event of a walk being cancelled at short notice due to weather.**

You are NOT covered by us or the leaders for personal injury or loss-the cost would have been too great and the scheme could not have gone ahead. It is your decision if you walk with us under these terms. If you are unknown to your walking group, you may be asked for your name at the start. Please co-operate and give it, for other insurance purposes.

Here are 8 reasons why walking is the bees' knees..

1. Walking strengthens your heart

Reduce your risk of heart disease and stroke by walking regularly. It's great heart exercise, reducing bad cholesterol, increasing good cholesterol. The Stroke Association says that a brisk daily 30-minute walk helps to control the high blood pressure that causes strokes.

2. Walking lowers disease risk

A regular walking habit slashes the risk of type 2 diabetes by around 60percent, and you're 20 percent less likely to develop cancer of the colon, breast or womb with an active hobby such as walking.

3. Walking helps you lose weight

You'll burn around 75 calories simply by walking at 2mph for 30 minutes. Raise that to 3mph and it's 99 calories, while 4mph is 150 calories equivalent to three Jaffa cakes and a jam doughnut! Work that short walk into your daily routine and you'll shed the pounds in no time.

4. Walking prevents dementia

Older people who walk six miles or more per week are more likely to avoid brain shrinkage and preserve memory. Since dementia affects 1 in 14 people over 65 and 1 in 6 over 80, that's a pretty good idea.

5. Walking tones up legs, bums and tums

Give definition to calves, quads and hamstrings while lifting your glutes (bum muscles) with a good, regular walk. Add hill walking and it's even more effective. Pay attention to your posture and you'll also tone your abs and waist.

6. Walking boosts vitamin D

We all need to get out more. Many people are vitamin D deficient, affecting things like bone health and our immune systems. Walking is the best way to enjoy the outdoors while getting your vitamin D fix.

7. Walking gives you energy

You'll get more done with more energy, and a brisk walk is one of the best natural energisers around. It boosts circulation and increases oxygen supply to every body cell, helping you to feel more alert and alive. Try walking in your lunch break to achieve more in the afternoon.

8. Walking makes you happy

It's true - exercise boosts your mood. Studies show that a brisk walk is just as effective as anti-depressants in mild to moderate cases of depression, releasing feel-good endorphins while reducing stress and anxiety. So for positive mental health, walking's an absolute must!

For more information about the benefits of walking visit the NHS Walking for Health website.
<https://www.nhs.uk/live-well/exercise/walking-for-health/>

April

All Nottinghamshire Wildlife Trust walks are marked with a badger icon. For walk updates and to book visit the events webpage.
<https://www.nottinghamshirewildlife.org/events>

All Nottingham Civic Society walks are marked with a Council House icon. Please note that as all walks are held in public places, Nottm Civic Society accepts no liability for loss or injury sustained during any of the walks

Set your alarm early and join us for a Dawn Chorus Walk at Attenborough Nature Reserve with breakfast included. (Paid/bookable event)

Tuesday 5th May at 10.00am

First Visit to Riverside Bridge Colwick Nottingham

As the clock ticks down until the opening of the new Riverside bridge, this is possibly your last chance to see the Riverside Bridge without the distraction of people using it. Once the bridge has been opened, opportunities such as this will be few and far between. Walk through Colwick Country Park, passing Colwick Hall and Colwick Racecourse to the Riverside Bridge. Return past the West Lake, the Marina, and the Holme Sluices fish pass. (Incidentally, there will be a walk when the bridge is open, giving you a chance to see the bridge "in use")

Meet Jim Sinclair Southwell Ramblers at Colwick Country Park Car Park, River Rd, Colwick, Nottingham

Grid Ref: **SK 6118 3993**

with Lound Bird Club**

Idle Valley, Chainbridge Scrape East Viewpoint, Retford, DN22 8SB

Join Lound Bird Club for a walk around Idle Valley Nature Reserve. These are free - just turn up!

Saturday 9th May at 11am

**Robin Hood Way Walk No1 In search
of Robin Hood and his outlaws**

On visiting St Mary's Church Edwinstowe site where Robin Hood married Maid Marian, we then visit Robin's hiding place at Major Oak, crossing Birklands Forest and heathland to Centre Tree, which is the middle of the old forest. Through the plantation to Blackpool Pool, former site of the 6th Duke of Portland's Russian Cottage. Nearby once stood Robin's Larder (Shambles Oak,) where the outlaws hung venison after stealing it from the king. The tree was blown down in 1960's. We visit St Edwin's former Chapel in what was part of the Royal Deer Forest in the area now known as King John's Palace, some 3 miles away at Old Clipstone. We return to Sherwood Visitors Centre.

Meet Chris Thompson (Robin Hood Flexi Group) Church St. Edwinstowe (Porch Entrance)

Distance: **3 miles (1.5 hours)**

Contact Tel No: **07983 215 993**

Saturday 16th May at 10am River Leen Walk 2 - Mill Lakes

This walk will start from Moor Bridge Tram Stop which is accessible by Tram or bus and has parking for cars. The walk will leave the tram stop heading down Hucknall Lane using the footbridge to cross over the railway and tram lines passing Forge Mill. We will then pick up the footpath heading into Mill Lakes and walk around the lake before heading into Bestwood Country Park via the public footpath from The Spinney. We will stop at the Winding House and Dynamo Engine Café before returning down the public footpath to Moor Bridge. If time allows we will visit Moor Bridge Nature Reserve and Springfield Corner Nature Reserve owned by Nottingham Wildlife Trust whilst returning to the start point of the walk.

This walk is being offered as part of the River Leen Walk that the Nottingham Local Access Forum are developing with support from Nottingham City Council
Meet Nigel Sarsfield Nottingham Local Access Forum at Moorbridge Tram Stop

Thursday 11th June at 6.30pm

Wellow Dam into medieval woodland known as Wellow Park

A walk & Talk from Wellow Dam into medieval woodland known as Wellow Park, which was once a deer park belonging to the Lords of the Manor. It was turned into a leisure facility in the 1730's by introducing a network of 'rides' but was still used for commercial purposes. The walk is timed so that you will enjoy an abundance of flora and hopefully spot various flora. There is a gradual uphill through the woods, with an occasional steeper, but short incline. The leader is a community ranger who

June

has wealth of knowledge to share.
Meet Amy Chanler, Forestry England at
Wellow Dam, off Newark Road, Wellow

The Partnership is very aware that we owe a huge debt to our walk leaders. A word of thanks at the end of your walk would be appreciated by every-

one.

Thanks to everyone who has contributed walks as we could not make this guide without them. Particularly Chris Thompson who is leading over 30 walks, Nottingham Wildlife Trust who provided wildlife walks and **civic society** Neil Stafford who spent many hours putting this guide together.

Finally thank you to the companies and organisations that made the guide you are reading now possible.

Friday 1st January 2027 at 10.30am

Events

National Trust: Clumber Park

A number of walks are run throughout the year by the National Trust at Clumber Park. The walks below are **free, but normal admission charges to Clumber Park apply**. For a full list of walks visit the Clumber Park events page which is regularly updated.

<https://www.nationaltrust.org.uk/visit/nottinghamshire-lincolnshire/clumber-park/events>

Join Sherwood Nordic Walking for these group walking sessions to learn the art of Nordic walking and its many benefits. Easy on the knees and joints. Suitable for all levels / ages. Sociable, safe outdoor exercise. A great way to discover Clumber Park while keeping fit. Meet in the main car park. Admission into the park applies. Sessions must be booked

Long Distance Walks

Nottinghamshire has a number long distance walking trails to enjoy. Sadly, space does not allow us to provide comprehensive details of each trail but the table below provides a list of some of trails with links to websites for further route details. This list is provided for you to consider a continuous adventure or as daily walk options over a period of time to further explorer the Nottinghamshire countryside.

Local Tourist Information centres can provide further of travel and accommodation arrangements if required. [The Ramblers](#) or [Long Distance Walks Association](#) websites also provide further details for most of the walks and additional walks.

Visit <https://ldwa.org.uk/> for details of these and other long distance walks available. We do hope you will consider walking some of these trails and we hope they provide you with a wonderful walking experience promoting the countryside of Nottinghamshire.

GreenSpace NG app

The GreenSpace NG app aims to help boost the health and wellbeing of people across Nottingham and Nottinghamshire, by encouraging them to explore more green spaces in their community and beyond. How many of these green spaces have you visited and can you recommend any more?

Go Jauntly Walking app

Moving in green open spaces at your own pace is proven to be good for our mental health and wellbeing, as well as our physical health. Using the Go Jauntly app you will find lots of suggested trails with clear instructions of what you can expect to see on your walk and you can also create your own walking trails too!

Ramblers Wellbeing Walks

Ramblers Wellbeing Walks are part of a national campaign to improve health and wellbeing simply by walking.

There are many such groups in Nottinghamshire, with trained and insured leaders, who take parties out for a gentle stroll in their local area.

The walks are an ideal introduction to group walking if you have never tried it before. Local walks at an easy pace, trained leaders and an amiable group around you – it becomes a comfortable, friendly way of recovering or improving your health. Research shows that you can reduce your risk of contracting any one of about 35 serious diseases too.

Check out <https://www.ramblers.org.uk/go-walking/wellbeing-walks> for a full list of Wellbeing walks available and <https://nottsguidedwalks.co.uk/wellbeing-walks/> for groups and walks in Nottinghamshire. Space does not allow us to feature all the Wellbeing Walks but a selection of groups are showcased on the next few pages, check the listed group websites for more walks and updates.

Rushcliffe Move & Mingle Wellbeing Walks offer free, safe and sociable walks with trained leaders to improve your health and wellbeing – supporting you to get active and stay active. Walks

from 30 to 90 minutes to suit your ability and level of fitness.

They offer walks in five Rushcliffe locations each week:

Lady Bay, Rushcliffe Country Park, Radcliffe on Trent, East Leake and Cotgrave Country Park. Please phone 07969 330846 or visit the [Rushcliffe Move & Mingle website](#).

Ramblers Wellbeing Walks Nottinghamshire Wildlife Trust organise and deliver free*, accessible walks on our nature reserves across the county. These walks are open to anyone and are a great way of getting some exercise and meeting some new people. Our fantastic Walk Leaders (and our glorious wildlife!) look forward to meeting you.

*Please note if you are attending a Wellbeing Walk at Attenborough Nature Reserve and are travelling by car there is a £3 car parking charge (unless you are a Nottinghamshire Wildlife Trust staff, member or volunteer, or have a permit with us). Visit the [Ramblers Wellbeing Walks Nottinghamshire Wildlife Trust website](#) for more information or call 07736 684268.

Discover open spaces in Nottingham

We love our green spaces here in Nottingham and we all know how important they are for our health, well-being, and the environment. The Green Map of Nottingham, has been designed to help you locate your nearest Open Space to relax, play, grow or volunteer. View the interactive map at <https://www.nottinghamparks.co.uk/index.html>

Other Wellbeing Walk Groups

Other groups offering walks across Nottinghamshire. Full details, additions and updates can be found on the [Notts Guided Walks Wellbeing Walks page](#).

Bircotes Smiley Milers - Meet 10am every Wednesday from the Sports and Social Club, Scrooby Road, Bircotes.

D.H. Lawrence Birthplace Museum Wellbeing Walks offer a walk on the first Tuesday of most months, meeting at 10.00am at the Birthplace Museum on Victoria Street, Eastwood.

GOGA – Get Out Get Active Bassetlaw aims to provide support to encourage greater activity in a genuinely inclusive environment, helping to build friendships, maintain health, increase independence, reduce stress and boost self-esteem.

instep Walking for Health in Mansfield offer free health walks which take place on Monday and Thursday mornings at 10, and last about two hours.

Lincolnshire Coop Wellbeing Walks coordinate and support over 78 volunteered walks across Lincolnshire and Newark.

Nordic Walking Keep fit with two poles - The Finnish Way brought to your doorstep by 'Nordic Walk'. Walks across Nottinghamshire visit the website for details.

Mansfield and Ashfield Walk & Talk is a calm and social walking group where people can chat, walk and enjoy the great outdoors.

Step2it Dukeries Walking Group - The Step2it Dukeries walking group meets every Thursday at 10am at Kilton Golf Club in Worksop.

Trent Dementia offers free leisurely guided health walks around Stonebridge City Farm, and Highfields Park, on the first and second Thursday of each month in Nottingham.

Workhouse Walkers Come and enjoy a social walk around Southwell and discover more of the local area surrounding The Workhouse. On the last Friday of every month, excluding December, the Workhouse Walkers will take you on a different walk to discover the many footpaths around Southwell. Come and enjoy a chat, see what nature you can spot along the way and learn more about the local area. Each walk starts and ends at The Workhouse and is approximately 75 minutes long, with a shorter option of 30 minutes available.
